registration information

the basics

- The Henry Ford Summer Camp is a day camp, with sessions offered for five weeks throughout the summer.
- Each day begins at 9:00 a.m. (with drop-off starting at 8:30 a.m.) and ends at 4:00 p.m. Morning and afternoon Extended Care options are available.
- Sessions are offered for children entering grades 2-7.
- Camps range from 16-20 children. We adhere to State of Michigan day camp camper-to-counselor ratios.
- Camp sessions are one week long (Monday-Friday). We strongly advise registering for one week of camp only, as content is repeated throughout the summer.
- Families provide their own transportation to The Henry Ford. The supervised drop-off and pickup location will be provided in the Welcome Email you will receive two weeks before your camp session.
- Sessions include a supervised bring-your-own lunch hour.
- If your camper requires special accommodations, please email summercamp@thf.org.
- Camp programming is subject to change.

grade levels

Each session is assigned a grade level and is tailored for campers entering the specified grades in the fall. Grade requirements are established based on the developmental, academic, and physical needs of campers within a particular age range. To ensure the most enjoyable experience, campers should be registered for the camp that corresponds to their grade level.

medications and allergies

THF Summer Camp has a self-administer policy. Campers are responsible for:

- Knowing when to take their medication and asking camp staff for it
- Opening the bottle
- Taking the correct dosage
- Closing the bottle

All medication must be in its original container with a label that includes the camper's name and the medication's name.

EpiPens are an exception and will be administered by staff in emergencies.

note

THF Summer Camp is not nut-free. Staff will accommodate allergies but do not restrict any foods. List any allergies in your registration materials, and administration will inform your camper's counselors.

registration

Online registration begins at 9:00 a.m. Members' pre-sale begins one week prior to the public sale. Subscribe to [The Henry Ford eNewsletter](#) to receive updates on camp registration dates and the latest news from The Henry Ford.

For registration, please have the following camper information ready:

- Full name
- Current grade
- Entering grade
- Gender
- Birthdate
- T-shirt size

- One email address for a parent and/or legal guardian (additional emails can be added at a later date)

the waitlist

If you do not secure the space within 24 hours, it will be offered to the next person on the waitlist.

sizes ranging from Youth S to Adult XL. Ensure that the correct T-shirt size is included when registering, as campers will receive only the recorded size.

accessibility and inclusion

At The Henry Ford Summer Camp, we welcome children, families, and staff of all cultures, religions, sexual orientations, gender identities, family constructs, and abilities. We do not tolerate aggression, violence, or bullying. We strive to create a fun and educational environment that is respectful, engaging, and safe for all our children. To best serve each child, we encourage you to list any physical, cognitive, emotional, or learning needs, or anything else you would like us to know, in your camper information forms to provide an accessible experience for all. This aligns with our principles of learning powered by perspective, learning applied to the real world, and learning shared equitably by all.

camp culture

At THF Summer Camp, we are passionate about helping young people gain the skills and confidence to make the world a better place through connecting the past, present and future.

To build a positive camp culture, THF Summer Camp is dedicated to ensuring that all campers and staff are physically safe, emotionally supported and respected. Every camper and staff member deserves to feel powerful and challenged and have opportunities to grow.

A positive camp culture is built by everyone who participates in THF Summer Camp, including camp staff, caregivers and campers. core values

At THF Summer Camp, we expect all campers and staff to work toward activating their own innovative mindset and unlocking their potential by practicing our Core Values, the Habits of an Innovator.

stay curious

- Learn something new. Ask questions.
- Keep asking questions like "how?" and "why?" Ask how you can help solve a problem or what is a new way of doing something.

collaborate

- Share what we know. Respect what others bring.
- Work together; work as a team. Everyone helps; everyone's ideas are listened to.

take risks

- Think BIG. Embrace uncertainty.
- What if we try a different way? Let's do this a new way. Let's make something new. Let's try something new.

be empathetic

- Walk in other people's shoes to understand their needs.
- How would that make you feel? How do you think it makes others feel?

challenge the rules

- Turn can't into can do. Dare to be different.
- Do we have to do something the same way every time or is there a better way? If an action is wrong, how can we help fix or change it?

learn from failure

- Be resilient. Use feedback to make improvements.
- Try again, what's another way to..., what can we do differently to make it work?

traditions

At THF Summer Camp, we cherish traditions that create unforgettable memories. Throughout the week, campers enjoy visits to the Giant Screen Experience, rides at Greenfield Village, and frozen custard. Additionally, we celebrate each camp session with two special celebrations:

wednesday spirit day

Every Wednesday, we offer special lunchtime activities related to a weekly theme. Campers and camp staff are encouraged to dress up. This is not a mandatory activity but fun for everyone.

closing celebration

Families are invited to attend the Friday celebration to view their children's artwork, projects or performance. Details will be shared in the Welcome Email.

policies and procedures

safety policies emergency response

The Henry Ford Summer Camp will follow all policies outlined in The Henry Ford Emergency Response Plan. If you have specific questions, please email summercamp@thf.org.

child abuse prevention

THF Summer Camp follows the rule of three, meaning campers will not be alone with an adult. Campers will be with or within eyesight of one adult and another camper or two adults.

THF Summer Camp is CampSafe certified. CampSafe is designed by experts in child sexual abuse prevention and is a program of Center for Child Counseling, a nonprofit organization.

camper pickup

Information for campers' legal guardians, emergency contacts, and approved pick-ups are required in ePACT. All legal guardians and emergency contacts are automatically included on the camper's approved pickup list. Adults must present a photo ID matching a name on the camper's approved pickup list before a camper can be released.

late pickup policy

If you know you may be running late, please contact camp staff via phone or email to give us notice and an anticipated pickup time. Late charges may incur if you are late without contacting camp staff. Please consider weather and traffic conditions and plan an alternative if you are unable to pick up your child promptly. If you are running late and a parent/guardian has not been in contact with camp staff within 10 minutes past pickup, the following protocol will be followed:

not enrolled in extended care

1. 10 minutes past pickup, camp staff will begin calling emergency contacts.

2. If an adult is more than 15 minutes late, the camper will be enrolled in Extended Care for a charge of \$60. Extended Care will then be available for the rest of the week.

enrolled in extended care

1. 10 minutes past pickup, camp staff will begin calling emergency contacts.
2. After 30 minutes of no contact with a parent/guardian about a pickup time, staff may call police.

behavior management policy

The Henry Ford Summer Camp rules are established for safety and to ensure that we have a common standard of behavior. Each adult is expected to take the following steps to redirect behavior if an issue may arise:

1. A staff member will give a verbal warning to the camper.
2. The camper will have quiet time supervised by an adult.
3. The camper will have a conference with camp administration. When this happens, we will inform parents/guardians of the issue during pickup at the end of the day or through a phone call during camp, depending on the severity of the issue.
4. Conference with camp administration and a parent/guardian.

If a situation should arise in which a camper is unable to follow the rules, acts in a manner that makes it impossible for the group to function normally, or displays behavior that jeopardizes the health and safety of an individual or the camp, The Henry Ford reserves the right to remove the camper from the session and will not issue a refund, partial or otherwise.

rules of camp

The Henry Ford Summer Camp staff will implement the following rules to keep staff and campers safe:

- Stay within adult supervision
- No foul language, bullying or name-calling
- Respect the property of others and The Henry Ford
- Be courteous and respectful to others
