Dearborn, MI 48124

Dear Scholarship Administrator:

I am writing you today as verification of support for The Southern Michigan Center for Science and Industry Mechatronics students, staff and chaperones to be able to take part in a school field trip to The Henry Ford in February of 2016.

The Southern Michigan Center for Science and Industry's main focus is educating, training and teaching goals for a much needed skilled workforce. It would be of great value to have our students be able to visit The Henry Ford Museum and the Rouge Factory which educationally explains and shows the innovations in manufacturing and how modern engineering works and has grown in today's world.

Should you have any questions regarding this letter of support, feel free to contact me by phone at [REDACTED] or send me an email at [REDACTED]

Thank you,

[REDACTED]
Principal – Hudson Area High School
